

Brad Steiman, CFA

Brad is the CFA, Vice-President of Dimensional Fund Advisors Canada LP. , positions he has held since Dimensional's Canadian operation was launched in 2003. He has been at the forefront of Dimensional's efforts to grow the Canadian business by sharing the firm's philosophy with financial advisors and their clients. Brad joined Dimensional in 2002 as a regional director and worked with consultants and advisors in the US and Latin America. He came to Dimensional from Assante Global Advisors, where he served as vice president and general manager. He earned a bachelor of commerce from the University of British Columbia, Vancouver, in 1996, and the CFA designation in 2000.
